Item 1.01 Entry into a Material Definitive Agreement.

On July 20, 2020, Genworth Financial, Inc. (“Genworth” or the “Company”) announced that it settled the previously disclosed action *AXA SA v. Genworth Financial International Holdings, LLC et al.* in the High Court of Justice, Business and Property Courts of England and Wales, in respect of which judgment is awaited following a quantum trial in June 2020. In this case, AXA SA (“AXA”) has sought payment from Genworth for payment protection insurance (“PPI”) mis-selling losses. Pursuant to a sale and purchase agreement dated September 17, 2015 (the “SPA”), AXA purchased, among other entities, Financial Insurance Company Limited (“FICL”) and Financial Assurance Company Limited (“FACL”) from Genworth. FICL and FACL underwrote PPI which has resulted in extensive consumer complaints on the basis that it was mis-sold by a third party distributor, leading to large losses (including consumer redress and associated fees/expenses). Under the SPA Genworth covenanted to pay AXA for certain of its PPI mis-selling losses. The settlement was agreed following the High Court’s liability judgment dated December 6, 2019 and prior to the High Court issuing its judgment on the quantum of damages.

In connection with the settlement, the Company has agreed to make a £100 million, or approximately \$125 million, cash payment (the “Initial Cash Payment”) to AXA by July 23, 2020 (which amount is in addition to a £100 million interim cash payment Genworth made to AXA in January 2020 and expensed in the fourth quarter of 2019). In addition, the Company, along with Genworth Financial International Holdings, LLC, has issued a Secured Promissory Note, dated as of July 20, 2020 (the “Note”), pursuant to which: (i) the Company has agreed to make a deferred cash payment in two installments in an aggregate amount equal to approximately £317 million, the first on June 30, 2022 (the “First Installment Date”) and the second on September 30, 2022 (the “Final Installment Date”); (ii) the Company has agreed to pay a significant portion of all future amounts in respect of relevant third party distributor mis-selling losses incurred by AXA, to be invoiced quarterly in arrears by AXA, and which invoiced amounts (the “Future Loss Payment Amounts”) will accrue and, to the extent invoiced 30 days prior thereto, will be paid on the Final Installment Date; and (iii) the Company has agreed to secure the obligations under the Note by pledging (a) as of the date of the Note, 19.9% of the outstanding common shares in Genworth Mortgage Insurance Australia Limited held by the Company through its subsidiaries and (b) 19.9% of the outstanding common shares in Genworth Mortgage Holdings, Inc. held by the Company through its subsidiaries. The Company has agreed to a mechanism for payment of remaining Future Loss Payment Amounts once the Note has been paid in full and terminated in accordance with its terms. The Note will terminate upon the payment in full of all the obligations thereunder on, or prior to, the Final Installment Date, on which date the aggregate principal amount then outstanding shall be due. Pursuant to the settlement with AXA and provisions of the SPA, in the event that AXA recovers amounts from third parties related to the mis-selling losses, including from the distributor responsible for the sale of the policies, Genworth has certain rights to share in those recoveries to recoup payments for the underlying mis-selling losses.

The outstanding principal amount of the Note shall bear interest, payable quarterly, at the rate of 5.25% per annum, with a stepdown to 2.75% following certain prepayment trigger events, which stepdown is to be applied retroactively against amounts already paid in the form of a credit against future payment. Pursuant to the Note, the Company is required to make certain mandatory prepayments upon the occurrence of (1) the consummation of certain qualifying debt transactions in which total gross proceeds of at least \$750 million are raised; (2) the consummation of certain qualifying equity issuances or dispositions with respect to Genworth Mortgage Holdings, Inc. (a subsidiary of the Company), or any of its subsidiaries, in which total net cash proceeds of at least \$475 million are raised; (3) certain dispositions of the U.S. mortgage insurance business of the Company; (4) the consummation of the previously disclosed China Oceanwide merger and funding of the contemplated capital contribution in connection therewith; (5) certain change of control transactions by the Company; and (6) receipt of dividends and sale proceeds from certain Company subsidiaries above certain threshold amounts. The Company has also agreed pursuant to the Note to certain negative and affirmative covenants, representations and warranties and customary events of default. In addition, any dividends and sale proceeds received by the Company in respect of the collateral described in clause (iii) above will be paid to AXA to satisfy the outstanding balance of the Note.

In connection with the settlement, AXA and Genworth have agreed, pending satisfaction of certain conditions, not to enforce, appeal or set aside the liability judgment of December 6, 2019 and any judgment in respect of the quantum of AXA’s claim subject to a termination right of AXA if the Note and related security package is determined to be void and/or unenforceable. Upon satisfaction of those conditions (namely payment of the £100 million (or approximately \$125 million) Initial Cash Payment and the execution by Genworth and AXA of documents contemplated by the Note Documentation to perfect the security described above), those agreements not to enforce the judgments will become permanent, subject to limited exceptions in respect of certain rights or claims under the SPA and in respect of enforcing the terms of the settlement

and Note documents. As noted above, the Company previously paid an interim payment of £100 million to AXA in January 2020, which was expensed as a part of discontinued operations in the fourth quarter of 2019. In connection with this settlement, the Company expects to incur an additional expense of \$516 million after-tax as a part of discontinued operations in the second quarter of 2020. This charge to discontinued operations is translated to U.S. dollars using June 30, 2020 foreign currency exchange rates and includes the £100 million to be paid by July 23, 2020, the £317 million secured promissory note, and an estimate of £107 million for claimed mis-selling losses that are still being processed; and fees and expenses related to the litigation and settlement.

The summary of the Note set forth above is not intended to be complete and is qualified in its entirety by reference to the full text of the Note, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Notwithstanding anything to the contrary in this Note or any other Note Document that requires payment of interest or principal in cash, the Interest Rate Reduction Credit may be applied by the Issuers in satisfaction of such payment.

If any applicable law requires the deduction or withholding of any Tax from any such payment, then (i) the applicable payor shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and (ii) the sum payable by the Issuer shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 7.2) the Holder receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) As of the date hereof, each of AXA SA, AXA France Vie and AXA France IARD has provided the Issuers a valid signed copy of IRS Form W-8-BEN-E evidencing a complete exemption from withholding Tax on interest and "Other Income", together with any certificates or documentation necessary to support such exemption. In the event any such form expires or becomes inaccurate, AXA SA shall promptly provide Issuer of notice, and shall cause AXA France Vie or AXA France IARD to, provide replacement copies of such forms or promptly notify the Issuers in writing of its legal inability to do so. In the event of a transfer, assignment or participation pursuant to Section 13.6 hereof, the assignee, transferee or participant (as the case may be) shall provide each Issuer copies of any tax forms it is legally available to provide that would reduce or eliminate the rate of withholding Tax on payments made hereunder.

(c) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 7 (including by the payment of additional amounts pursuant to this Section 7), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 7 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (c) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (c), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (c) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(d) The Holder shall provide the Issuers with any documentation or form reasonably required by the Issuers as may be necessary for the Issuers to comply with FATCA.

(g) *Involuntary Proceedings.* (i) Any involuntary Insolvency Proceeding is commenced or filed against any Specified Person, or any writ, judgment, warrant of attachment, execution or similar process, is issued or levied against a substantial part of a Note Party’s properties, and any such proceeding or petition shall not be dismissed, or such writ, judgment, warrant of attachment, execution or similar process shall not be

(c) exercise any and all rights and remedies available to the Holder hereunder or under the other Note Documents (or any other contract, agreement or instrument entered into in connection therewith), under applicable Laws or otherwise;

ARTICLE 9
REPRESENTATIONS AND WARRANTIES

Each Issuer hereby represents and warrants, on the Issue Date, to the Holder that:

Section 9.2 Corporate Authorization: No Contravention.

The Transactions to be entered into by each Note Party are within its corporate or other organizational powers. The Transactions (including the execution, delivery and performance by each Note Party of each Note Document to which it is a party) have been duly authorized by all necessary corporate or other organizational action of each Note Party, and do not and will not: (a) contravene the terms of any of such Note Party's Organization Documents; (b) conflict with or result in any breach or contravention of, or result in or require the creation of any Lien (other than the Transaction Liens) under, any document evidencing any Contractual Obligation to which such Note Party is a party, except to the extent that such conflicts, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect or (c) violate any Requirement of Law or any order, injunction, writ or decree of any Governmental Authority to which such Note Party or its property is subject, except to the extent that such violations, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 9.3 Governmental Authorization.

No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, each Note Party of each Note Document to which it is a party or the granting of any Liens by any Note Party pursuant to the Note Documents, except (i) such as have been obtained and are in full force and effect, (ii) filings necessary to perfect the Transaction Liens, (iii) such as may be required in accordance with applicable Laws in connection with realization on the Collateral and (iv) those the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

Section 9.4 Binding Effect.

This Note and each other Note Document has been duly executed and delivered by each Note Party party thereto and constitutes a legal, valid and binding obligation of such Note Party, enforceable against such Note Party in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability, regardless of whether considered in a proceeding in equity or at law.

Section 9.5 Litigation.

Except as disclosed by GFI in its quarterly report on Form10-Q for the fiscal quarter of GFI ended March 31, 2020, there are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of the Responsible Officers of the Issuers, threatened in writing, at law, in equity, in arbitration or before any Governmental Authority, against any of the Note Parties or any of their respective properties that: (a) on the Issue Date, affects or pertains to this Note or any other Note Document or (b) there is reasonable likelihood of an adverse determination with respect to an Issuer and that, if adversely determined, individually or in the aggregate would reasonably be expected to have a Material Adverse Effect. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Authority purporting to enjoin or restrain the execution, delivery or performance of this Note or any other Note Document.

Section 9.6 No Default.

No Default or Event of Default has occurred and is continuing. Without limiting the foregoing, no Default would result from the consummation of the Transactions. Neither any of the Issuers nor any other Note Party is in default under or with respect to any Contractual Obligation in any respect that, individually or together with all such defaults, would reasonably be expected to have a Material Adverse Effect.

Section 9.7 Margin Regulations.

Section 9.9 Taxes.

Each Note Party has timely filed all federal Tax and other Tax returns and reports required to be filed, and has paid all federal Tax and other Taxes levied or imposed upon it or its properties, income or assets that have become due and payable (including in its capacity as a withholding agent), except those (i) that are not more than 30 days overdue, (ii) that are being contested in good faith by appropriate proceedings and for which adequate reserves have been provided in accordance with GAAP, or (iii) where the failure to make such filing or payment would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

Section 9.10 Subsidiaries.

(a) The Equity Interests of each of GHI, GFIH and GMHI (each a “Relevant Subsidiary”) and those constituting the GMA.AX Owned Shares have, in each case, been duly authorized and validly issued and are fully paid and non-assessable. As of the date hereof, there is no existing option, warrant, call right, commitment or other agreement to which any Relevant Subsidiary is a party requiring, and there is no Equity Interests of any Relevant Subsidiary outstanding which upon conversion or exchange would require, the issuance by any such Relevant Subsidiary of any additional Equity Interests of such Relevant Subsidiary, except equity compensation plans and other employee incentive schemes maintained for the benefit of officers, directors, employees and consultants of such Relevant Subsidiary.

(b) Schedule 9.10(b) sets forth, in all material respects, the name of, and the ownership interest of GFI (or the applicable Subsidiary) in, each of the other Note Parties, GMA.AX, GMHI and the Subsidiaries of GMHI and identifies the type of entity of each such Subsidiary, in each case as of the Issue Date.

Section 9.12 Solvency.

(a) Immediately after giving effect to the Transactions to occur on the Issue Date, (a) the fair value of the assets of GHI and its Subsidiaries, on a consolidated basis, at a fair valuation, will exceed their debts and liabilities, subordinated, contingent or otherwise; (b) GHI and its Subsidiaries, on a consolidated basis, do not intend to, and do not believe that they will, incur debts or liabilities beyond their ability to pay such debts and liabilities as they mature; and (c) GHI and its Subsidiaries, on a consolidated basis, will not have unreasonably small capital with which to conduct the business in which they are engaged as such business is conducted on the Issue Date. At all times thereafter, the Collateral Documents will create valid and perfected first priority security interests in the Collateral from time to time covered or purportedly covered thereby to the extent a security interest in such Collateral may be perfected by filing a financing statement under the Uniform Commercial Code or the Australian PPSA or by establishing control in favor of the Holder.

Section 10.11 [Reserved].

Section 10.12 Collateral and Guarantees.

(a) The Issuers shall be, and shall cause each Note Party to be, in compliance at all times with the Collateral and Guaranty Requirement. If, in connection with an initial public offering or any other Qualifying Equity Transaction, the GMHI Owned Shares shall become uncertificated or otherwise modified from their current form, the Note Parties shall take all actions and establish arrangements necessary or as otherwise reasonably requested by the Holder to ensure that the Transaction Liens on the GMHI Pledged Shares remain subject to a first-priority perfected security interest in favor of the Holder.

(b) GHI and GFIH shall within seven (7) Business Days after the Issue Date (or such later date as agreed by the Holder) transfer the GMA.AX Pledged Shares from the issuer sponsored holding to CHESS Holding (as defined in the Australian Tripartite Agreement) subject at all times to the Liens created under the Specific Security Deed.

(c) Provided that no Default or Event of Default has occurred and is continuing, the Administrative Issuer (on behalf of the relevant grantor) shall be entitled, in connection with any repayment or prepayment in a minimum amount of £10,000,000 (a "Minimum Repayment Event") pursuant to Section 6.1 or Section 6.2(a), (b), (e) or (f), to request the Holder release a portion of the Collateral constituting the GMHI Pledged Shares and/or the GMA.AX Pledged Shares, on the following basis:

(i) such Collateral shall be reduced and released in an amount such that the Collateral Coverage Ratio calculated as of such date of such Minimum Repayment Event is at least 1.30:1.00, after giving effect to such release and the relevant payment; and

(ii) all of the GMHI Pledged Shares shall be released from the Transaction Liens prior to the release of the GMA.AX Pledged Shares from the Transaction Liens (unless the Administrative Issuer and the Holder otherwise agree),

and upon receipt by the Holder of any written request in respect of a release of Collateral in satisfaction of the foregoing requirements (including (i) supporting evidence for the calculation of the Collateral Coverage Ratio at such time after giving effect to such payment and (ii) in the case of any reduction of the GMHI Pledged Shares, delivery to the Holder of new duly authorized, issued and signed certificates representing the reduced number of GMHI Pledged Shares and replacement stock powers indorsed in blank), at the cost and expense of the Issuers, the Holder shall execute such releases and

other documents and take such other actions as the Administrative Issuer may reasonably request (including delivery by the Holder of such directions (including to the CHES Participant) as reasonably requested by the Administrative Issuer to effect the transfer of such excess number of GMA.AX common shares out of the GMA.AX Collateral Account) to evidence the release of the Liens on the GMHI Pledged Shares and/or the GMA.AX Pledged Shares (as applicable) pursuant to this Section 10.12(c) in connection with such Minimum Repayment Event.

(d) If at any time the number of ordinary outstanding shares in GMA.AX held with the CHES Participant in the GMA.AX Collateral Account (and subject to the Australian Tripartite Agreement) is greater than the number of ordinary outstanding shares in GMA.AX then constituting the GMA.AX Pledged Shares, then such excess number of GMA.AX shares shall be automatically released from the security over the Collateral created by the Collateral Documents (and the Holder will, following written request from the Administrative Issuer, promptly instruct the CHES Participant to transfer such shares out of the GMA.AX Collateral Account) and at such time the Note Parties shall, at its option, (x) pledge additional GMHI Owned Shares (excluding, for the avoidance of doubt, GMHI Pledged Shares) in favor of AXA in an amount equal to the Collateral Value of such released GMA.AX Pledged Shares (or other collateral at agreed valuations as shall be agreed among the Holder and the Administrative Issuer) or (y) make a prepayment of the outstanding principal amount of the Note in cash such that after giving effect to such prepayment the Collateral Coverage Ratio would not be less than 1.30:1.00. For the purposes of the Australian Collateral Documents, the Holder consents to the release from the security constituted thereunder of any GMA.AX Pledged Shares referred to in this Section 10.12(d). In addition, if additional collateral is provided, the Note Parties shall take (or cause the relevant grantors to take) all actions reasonably requested by the Holder to create or perfect the Liens over such collateral.

Section 10.13 Further Assurances.

(a) Each Issuer will, and will cause each other Note Party to, at the request of the Holder, execute and deliver any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), that may be required under any applicable law to cause the Collateral and Guaranty Requirement to be and remain satisfied, all at the Issuers' expense in accordance with Section 13.7. The Issuers will provide the Holder, from time to time upon reasonable request, evidence reasonably satisfactory to the Holder as to the perfection and priority of the Transaction Liens created or intended to be created by the Collateral Documents.

(b) The Issuers shall otherwise take such actions and execute and/or deliver to the Holder such documents as the Holder shall reasonably require to confirm the validity, perfection and priority of the Lien of the Collateral Documents on such after-acquired properties, including actions described in Section 10.13(a), all at the Issuers' expense in accordance with Section 13.7.

Section 10.14 Maintenance of Properties, Etc.

The Issuers will, and will cause each other Note Party and the GMHI Group to, maintain or cause to be maintained in good repair, working order and condition, ordinary wear and tear and casualty or condemnation excepted, all material properties used or useful in the business of such Issuer, such Note Parties and such members of the GMHI Group and from time to time will make or cause to be made all appropriate repairs, renewals and replacements thereof, except where such failure would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

ARTICLE 11

Until the occurrence of the Termination Date, the Issuers covenant and agree with the Holder that:

In addition to any rights and remedies of the Holder provided by Law, upon the occurrence and during the continuance of any Event of Default, any of the Holder and its Affiliates is authorized at any time and from time to time, without prior notice to the Issuers, any such notice being waived by the Issuers to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (in whatever currency) at any time held by, and other Indebtedness at any time owing by, any of the Holder and its Affiliates to or for the credit or the account of the Issuers against any and all Obligations owing to the Holder and its Affiliates hereunder or under any other Note Document, now or hereafter existing, irrespective of whether or not the Holder or its Affiliate shall have made demand under this Note or any other Note Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. The rights of the Holder under this Section 13.9 are in addition to other rights and remedies (including other rights of setoff) that the Holder may have at Law.

Each Issuer hereby waives, to the fullest extent permitted by applicable Law, demand for payment, presentment for payment, protest, notice of payment, notice of dishonor, notice of nonpayment, notice of acceleration of maturity, and diligence in taking any action to collect sums owing hereunder or any other Note Document.

Section 13.12 Counterparts; Electronic Execution of Documents.

This Note and each other Note Document (except, as to any other Note Document, as expressly set forth therein) may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Note and each other Note Document (except, as to any other Note Document, as expressly set forth therein) shall be effective as delivery of an original executed counterpart of this Note and such other Note

Document. The Holder may also require that any such documents and signatures delivered by telecopier, .pdf or other electronic imaging means be confirmed by a manually signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier, .pdf or other electronic imaging means. The words “execution,” “signed,” “signature,” and words of like import in amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 13.13 Integration: Termination.

This Note, together with the other Note Documents, the Settlement Agreement and any other agreement in writing among the Issuers, the Holder and any other party thereto that such parties expressly agree relate to the subject matter hereof, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Note and those of any other Note Document, the provisions of this Note shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Holder in any other Note Document shall not be deemed a conflict with this Note. Each Note Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 13.14 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Note Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof, and shall continue in full force and effect as long as any Obligation (other than contingent indemnification obligations as to which no claim has been asserted) shall remain unpaid or unsatisfied.

Section 13.15 Severability.

If any provision of this Note or the other Note Documents is held to be illegal, invalid or unenforceable (a) the legality, validity and enforceability of the remaining provisions of this Note and the other Note Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 13.16 GOVERNING LAW.

THIS NOTE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS PRINCIPLES OR RULES OF CONFLICT OF LAWS TO THE EXTENT SUCH PRINCIPLES OR RULES ARE NOT MANDATORILY APPLICABLE BY STATUTE AND WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Section 13.17 Submission to Jurisdiction.

Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Note and the other Note Documents (except, as to any other Note Document, as expressly set forth therein) to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court"), and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them; *provided* that nothing in this Note shall be deemed or operate to preclude (i) the Holder from bringing suit or taking other legal action in any other jurisdiction in connection with any Collateral Document (including, without limitation, to realize on the Guaranty, the Collateral or any other security for the Obligations) (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 13.17 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Holder, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment, (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction and (iv) in the event a legal action or proceeding is brought against any party hereto or involving any of its assets or property in another court (without any collusive assistance by such party or any of its Subsidiaries or Affiliates), such party from asserting a claim or defense (including any claim or defense that this Section 13.17 would otherwise require to be asserted in a legal proceeding in a New York Court) in any such action or proceeding;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(c) (i) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the notice address provided in Section 13.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or (subject to clause (a) above) shall limit the right of the Holder to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.17 any consequential or punitive damages.

Section 13.18 WAIVER OF RIGHT TO TRIAL BY JURY

EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS NOTE OR ANY OTHER NOTE DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY AND FOR ANY COUNTERCLAIM THEREIN, IN EACH CASE, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY.

Section 13.19 Judgment Currency

If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Note Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Holder could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of an Issuer in respect of any such sum due from it to the Holder hereunder or under the other Note Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Note (the "Note Currency"), be discharged only to the extent that on the Business Day following receipt by the Holder of any sum adjudged to be so due in the Judgment Currency, the Holder may in accordance with normal banking procedures purchase the Note Currency with the Judgment Currency. If the amount of the Note Currency so purchased is less than the sum originally due to the Holder from an Issuer in the Note Currency, the Issuers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Holder against such loss. If the amount of the Note Currency so purchased is greater than the sum originally due to the Holder in such currency, the Holder agrees to return the amount of any excess to the applicable Issuer (or to any other Person who may be entitled thereto under applicable Law).

Section 13.20 Cancellation; Reinstatement.

Upon the occurrence of the Termination Date, this Note shall be of no further effect and the Holder shall promptly upon the Administrative Issuer's written request mark this Note as cancelled and return the original Note to the Administrative Issuer; *provided* that, for the avoidance of doubt, the agreements of the Issuers under Section 13.4, 13.7 and 13.14 and any other indemnification provision contained herein shall survive. Notwithstanding anything herein to the contrary, this Note and the other Note Documents, including the Guaranty and the security interests granted in connection herewith shall continue to be effective, or be reinstated, as the case may be, if at any time payment or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Holder upon the insolvency, bankruptcy, dissolution, liquidation, reorganization or similar proceeding under any Debtor Relief Laws of the Issuers or any other Note Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Issuers or any other Note Party or any substantial part of their property, or otherwise, all as though such payments had not been made.

Section 13.21 Confidentiality.

The Holder shall maintain the confidentiality of all information provided to it by or on behalf of GFI or any Subsidiary under this Note or any other Note Document, it being understood and agreed by the Note Parties that, in any event, the Holder may make disclosures thereof to the extent such information (i) was or becomes generally available to the public other than as a result of a breach of this Section 13.21 by the Holder or its Affiliates and the partners, directors, officers, employees, agents and advisors of the Holder and of such Affiliates or was in the Holder's possession (not in violation of any other provision of this Section 13.21) or (ii) was or becomes available on a non-confidential basis from a source (other than the Note Parties or any of their Affiliates or any partners, directors, officers, employees, agents and advisors of the Note Parties or of such Affiliates) not known after due inquiry by such Person to be prohibited from disclosing such information to such Person by a legal, contractual or fiduciary obligation; *provided* that the Holder may disclose such information (a) at the request or pursuant to any requirement of any Governmental Authority or representative thereof to which the Holder is subject or in connection with an examination of the Holder by any such authority (in which case, except with respect to any audit or examination conducted by bank accountants or any regulatory authority exercising examination or regulatory authority and to the extent practicable and not prohibited by law, such Person agrees to

(i) use commercially reasonable efforts to notify the Administrative Issuer of the proposed disclosure in advance of such disclosure and if unable to notify the Administrative Issuer in advance of such disclosure, such notice shall be delivered to the Administrative Issuer promptly thereafter to the extent permitted by law and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment); (b) pursuant to subpoena or other court process; (c) when required to do so in accordance with the provisions of any applicable Requirement of Law (in which case, except with respect to any audit or examination conducted by bank accountants or any regulatory authority exercising examination or regulatory authority and to the extent practicable and not prohibited by law, such Person agrees to (i) use commercially reasonable efforts to notify the Administrative Issuer of the proposed disclosure in advance of such disclosure and if unable to notify the Administrative Issuer in advance of such disclosure, such notice shall be delivered to the Administrative Issuer promptly thereafter to the extent permitted by law and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment); (d) to the extent reasonably required in connection with any litigation or proceeding involving the Note Parties to which the Holder or its Affiliates may be party; (e) to the extent reasonably required in connection with the exercise of any remedy hereunder or under any other Note Document; (f) to such Holder's independent auditors and other professional advisors on a confidential basis; (g) to any participant, actual or potential, or permitted assignee; *provided* that such Person agrees in writing to keep such information confidential to the same extent required of the Holder hereunder or on terms no less restrictive than those set forth in this Section 13.21; and (h) to its Affiliates and to their respective officers, directors, employees, legal counsel, independent auditors and other advisors, or agents who need to know such information in connection with the transactions contemplated hereby and are informed of the confidential nature of such information and are or have been advised of their obligation to keep information of this type confidential; *provided*, that such Person shall be responsible for its Affiliates' and such other Persons' compliance with this subsection (h). In the case of confidential information received from GFI or any Subsidiary after the date hereof, such information shall be treated as confidential unless clearly identified at the time of delivery as non-confidential.

News Release

Genworth Announces Settlement with AXA

Richmond, VA (July 20, 2020) – Genworth Financial, Inc. (NYSE: GNW) today announced that Genworth has reached an agreement with AXA to settle the dispute between them relating to liability for payment protection insurance (PPI) mis-selling losses (English High Court claim number CL-2017-000795). Genworth and AXA agreed to the settlement following the High Court’s liability judgment dated December 6, 2019 and prior to the High Court issuing its judgment on damages.

This case involves losses incurred from mis-selling complaints for PPI underwritten by two companies that AXA acquired from Genworth in 2015. The policies were sold from 1970 through 2004. Although Genworth considers that the policies were mis-sold by a third-party distributor, the court ruled that Genworth was obligated to pay AXA for its losses, per the terms of the sale and purchase agreement.

Under the terms of the settlement, Genworth has agreed to pay AXA £100 million, or approximately \$125 million, by July 23, 2020 (which amount is in addition to a £100 million interim cash payment Genworth made to AXA in January 2020 and expensed in the fourth quarter of 2019). In addition, Genworth also has agreed to issue a secured promissory note to AXA, pursuant to which Genworth has agreed to make deferred cash payments totaling approximately £317 million in two installments: the first on June 30, 2022 and the second on September 30, 2022; and to pay a significant portion of all future mis-selling losses incurred by AXA, to be invoiced quarterly by AXA.

The note is secured by pledging, as of the date of the note, 19.9 percent of the outstanding common shares in Genworth Mortgage Insurance Australia Limited and 19.9 percent of the outstanding common shares in Genworth Mortgage Holdings, Inc. (the parent company of the U.S. mortgage insurance business). The note will terminate upon the payment in full of all the obligations by the due dates. Genworth also has agreed to make certain mandatory prepayments in the event that it executes certain debt or equity transactions or receives subsidiary dividends from its mortgage insurance companies.

Under the terms of the settlement and the sale and purchase agreement, if AXA recovers amounts from third parties related to the mis-selling losses, including from the distributor responsible for the sale of the policies, Genworth has certain rights to share in those recoveries to recoup payments for the underlying mis-selling losses.

AXA and Genworth have agreed not to enforce, pending satisfaction of certain conditions, appeal or set aside the liability judgment of December 6, 2019 and any judgment in respect of the quantum of AXA's claim subject to a termination right of AXA if the note and related security package is determined to be void and/or unenforceable. Upon satisfaction of those conditions, namely payment of the £100 million (or approximately \$125 million) initial installment and the execution by Genworth and AXA of documents contemplated by the note to perfect the security, those agreements not to enforce the judgments will become permanent.

As noted above, Genworth previously paid an interim payment of £100 million to AXA, which was expensed as a part of discontinued operations in the fourth quarter of 2019. In connection with this settlement, Genworth expects to incur an additional expense of \$516 million after-tax as a part of discontinued operations in the second quarter of 2020. This charge to discontinued operations is translated to U.S. dollars using June 30, 2020 foreign currency exchange rates and includes the £100 million to be paid by July 23, 2020; the £317 million secured promissory note; an estimate of £107 million for claimed mis-selling losses that are still being processed; and fees and expenses related to the litigation and settlement.

“The settlement removes uncertainty around the amount of the liability arising from the AXA litigation, defers our obligation to make the bulk of the payments to AXA and allows us to move forward with our plans to pursue alternatives to raise capital and meet our near-term liquidity needs, which includes our \$1 billion in debt maturing in 2021,” said Tom McInerney, Genworth president and CEO. “These alternatives include a potential debt offering, as well as the ability to prepare for a 19.9% IPO of our U.S. Mortgage Insurance business, subject to market conditions, should our pending transaction with China Oceanwide not close.”
