Item 17. Undertakings.

The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrants pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Table of Contents

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

(5) That, for the purpose of determining liability of the Registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrants undertake that in a primary offering of securities of the undersigned Registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrants or used or referred to by the undersigned Registrants;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrants or their securities provided by or on behalf of the undersigned Registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrants to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of Genworth Financial's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of the securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Securities Act of 1933.

(8) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or controlling persons of the Registrants pursuant to the foregoing provisions, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission this type of indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Ladies and Gentlemen:

We have acted as counsel to Genworth Financial, Inc., a Delaware corporation (“Parent”) and Genworth Holdings, Inc., a Delaware corporation (“Holdings”), in connection with the preparation and filing with the Securities and Exchange Commission (the “Commission”) of the Registration Statement on Form S-3 (the “Registration Statement”), under the Securities Act of 1933, as amended (the “Securities Act”), relating to the registration of the offer, issuance and sale from time to time of an indeterminate number of (i) shares of common stock of Parent (the “Shares”); (ii) shares of preferred stock of Parent (the “Preferred Shares”); (iii) warrants of Parent (the “Warrants”); (iv) rights of Parent (the “Rights”); (v) units comprised of any of the securities described in clauses (i) through (iv) or securities of other entities (the “Units”); (vi) guarantees by Parent (the “Guarantees” and, together with the Shares, the Preferred Shares, the Warrants, the Rights and the Units, the “Parent Securities”) of Holdings Debt Securities (as defined below); and (vii) senior and subordinated debt securities of Holdings (the “Holdings Debt Securities” and, together with the Parent Securities, the “Securities”).

In so acting, we have examined originals or copies (certified or otherwise identified to our satisfaction) of: (i) the Amended and Restated Certificates of Incorporation of Parent and Holdings; (ii) the Registration Statement; (iii) the prospectus contained within the Registration Statement; (iv) the indenture, dated as of June 15, 2004, between Holdings and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), as supplemented and amended to the date hereof, including, without limitation, as supplemented by Supplemental Indenture No. 9, dated as of April 1, 2013, among Parent, Holdings and The Bank of New York Mellon Trust Company, N.A., as trustee (as so amended and supplemented, the “Senior Notes Indenture”); (v) the indenture, dated as of November 14, 2006, between Holdings and The Bank of New York Mellon Trust Company, N.A., as trustee, as supplemented and amended to the date hereof, including, without limitation, as supplemented by the Second Supplemental Indenture, dated as of April 1, 2013, among Parent, Holdings and The Bank of New York Mellon Trust Company, N.A., as trustee (as so amended and supplemented, the “Subordinated Notes Indenture” and, together with the Senior Notes Indenture, the “Indentures,” and each an “Indenture”); and (vi) such corporate records, agreements, documents and other instruments, and such certificates or comparable documents of public officials and of officers and representatives of Parent and Holdings, and have made such inquiries of such officers and representatives, as we have deemed relevant and necessary as a basis for the opinions hereinafter set forth.

In such examination, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies and the authenticity of the originals of such latter documents. As to all questions of fact material to this opinion that have not been independently established, we have relied upon certificates or comparable documents of officers and representatives of Parent and Holdings. Based on and subject to the foregoing and assuming that: (i) the underwriters, Trustee, warrant agent, rights agent and unit agent, as applicable, when appointed, will be duly organized, validly existing and in good standing under the laws of their respective jurisdictions of incorporation, and will have the requisite corporate power to enter into and perform their respective obligations related to the offering of Securities and under the underwriting or similar agreement, Indenture and any supplemental indenture relating to the Debt Securities, the warrant agreement relating to the Warrants, the rights agreement relating to the Rights and the unit agreement relating to the Units, as applicable; (ii) all corporate action required to be taken by Parent, Holdings, underwriters, Trustee, warrant agent, rights agent and unit agent to duly authorize each proposed issuance of Securities, as applicable, and to execute, deliver and perform each of the operative documents related to the offering of the Securities contemplated herein will have been completed (and each operative document is governed by New York law); (iii) the Registration Statement and any amendments thereto (including any post-effective amendments) will have become effective and comply with all applicable laws and no stop order suspending the Registration Statement’s effectiveness will have been issued and remain in effect, in each case, at the time the Securities are offered or issued as contemplated in the Registration Statement; (iv) all Securities will have been issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement, the applicable prospectus supplement and the applicable definitive underwriting or similar agreement; (v) the Indentures and any indenture governing the Holdings Debt Securities, in each case including any supplemental indentures thereto, have or will have been

qualified under the Trust Indenture Act of 1939, as amended; (vi) any legally required consents, approvals, authorizations or orders of the Commission and any other regulatory authority will have been issued; (vii) the terms of any Securities and their issuance and sale will have been duly established so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding on Parent (with respect to Parent Securities) or Holdings (with respect to Holdings Debt Securities) and so as to comply with any requirements or restrictions imposed by any court or governmental body having jurisdiction over Parent or Holdings, as the case may be; (viii) a definitive underwriting or similar agreement and any other necessary agreement with respect to any Securities will have been duly authorized and validly executed and delivered by Parent (with respect to Parent Securities) or Holdings (with respect to Holdings Debt Securities) and the other party or parties thereto; and (ix) any Securities issuable upon conversion, exercise or exchange of any Securities being offered or issued will have been duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exercise or exchange, we advise you that in our opinion:

1. Shares. Assuming that the issuance and terms of any Shares and the terms of the offering thereof have been duly authorized, when: (i) Parent has received the consideration therefor specified in any applicable underwriting or similar agreement approved by Parent's board of directors; (ii) in the case of any Shares to be issued under any Warrants, upon due exercise and payment of the exercise price specified in such Warrants; (iii) in the case of any Shares to be issued under any Rights, upon due exercise and payment of the exercise price specified in such Rights; and (iv) in the case of any Shares to be issued upon the exchange or conversion of Holdings Debt Securities, Preferred Shares, Warrants and Rights that are exchangeable for or convertible into Shares, upon due exercise of such exchange or conversion rights in accordance with the terms of the applicable instruments, then in each case such Shares (including any Shares that may be issued as part of Units or upon exercise, conversion, exchange or otherwise pursuant to the terms of any other Securities) will be validly issued, fully paid and nonassessable.

2. Preferred Shares. Assuming that the issuance and terms of any series of Preferred Shares and the terms of the offering thereof have been duly authorized, when: (i) a certificate of designation fixing and determining the terms of the Preferred Shares has been duly filed with the Secretary of State of the State of Delaware and accepted for record; (ii) Parent has received the consideration therefor specified in any applicable underwriting or similar agreement approved by Parent's board of directors; (iii) in the case of any Preferred Shares to be issued under any Warrants, upon due exercise and payment of the exercise price specified in such Warrants; and (iv) in the case of any Preferred Shares to be issued under any Rights, upon due exercise and payment of the exercise price specified in such Rights, then in each case such Preferred Shares (including any Preferred Shares that may be issued as part of Units or upon exercise, conversion, exchange or otherwise pursuant to the terms of any other Securities) will be validly issued, fully paid and nonassessable.

3. Warrants. Assuming that the issuance and terms of such Warrants and the terms of the offering thereof have been duly authorized, when: (i) the terms of such Warrants to be issued under a warrant agreement and the terms of their issuance and sale have been duly established in conformity with such warrant agreement; (ii) the warrant agreement has been duly authorized, executed and delivered; (iii) the warrant agreement constitutes a legal, valid and binding obligation of the warrant agent, enforceable against it in accordance with its terms; and (iv) such Warrants or certificates representing such Warrants have been duly executed and authenticated in accordance with the warrant agreement and issued and sold as contemplated in the Registration Statement and any prospectus supplement relating thereto, and in accordance with any underwriting or similar agreement approved by Parent's board of directors, then such Warrants (including any Warrants that may be issued as part of Units or upon exercise, conversion, exchange or otherwise pursuant to the terms of any other Securities) will constitute valid and binding obligations of Parent, enforceable against Parent in accordance with their terms.

4. Rights. Assuming that the issuance and terms of such Rights and the terms of the offering thereof have been duly authorized, when: (i) the terms of such Rights to be issued under a rights agreement and the terms of their issuance and sale have been duly established in conformity with such rights agreement; (ii) the rights agreement has been duly authorized, executed and delivered; (iii) the rights agreement constitutes a legal, valid and binding obligation of the rights agent, enforceable against it in accordance with its terms; and (iv) such Rights or certificates representing such Rights have been duly executed and authenticated in accordance with the rights agreement and issued and sold as contemplated in the Registration Statement and any prospectus supplement relating thereto, and in accordance with any underwriting or similar agreement approved by Parent's board of directors, then such Rights (including any Rights that may be issued as part of Units or upon exercise, conversion, exchange or otherwise pursuant to the terms of any other Securities) will constitute valid and binding obligations of Parent, enforceable against Parent in accordance with their terms.

5. Units. Assuming that the issuance and terms of such Units and the terms of the offering thereof have been duly authorized and the securities of any other entities to be included in the Units, if any, have been duly authorized and issued by such entity, when: (i) the terms of such Units to be issued under a unit agreement and the terms of their issuance and sale have been duly established in conformity with such unit agreement; (ii) the unit agreement relating to such Units has been duly authorized, executed and delivered; (iii) the unit agreement relating to such Units constitutes a legal, valid and binding obligation of the unit agent, enforceable against it in accordance with its terms; and (iv) such Units have been duly executed and authenticated in accordance with the applicable unit agreement and issued and sold as contemplated in the Registration Statement and any prospectus supplement relating thereto, and in accordance with any underwriting or similar agreement approved by Parent's board of directors, then such Units (including any Units that may be issued upon exercise, conversion, exchange or otherwise pursuant to the terms of any other Securities) will constitute valid and binding obligations of Parent, enforceable against Parent in accordance with their terms.

6. Guarantees. Assuming that the issuance and terms of any Holdings Debt Securities and Guarantees and the terms of the offering thereof have been duly authorized, when: (i) the terms of such Holdings Debt Securities and Guarantees to be issued under the applicable Indenture and any applicable supplemental indenture and the terms of their issuance and sale have been duly established in conformity with such Indenture and such supplemental indenture; (ii) such Indenture and such supplemental indenture have been duly authorized, executed and delivered; (iii) the Indentures and supplemental indentures constitute legal, valid and binding obligations of the Trustee, enforceable against it in accordance with their terms; and (iv) such Holdings Debt Securities have been duly executed and authenticated in accordance with the applicable Indenture and any applicable supplemental indenture and issued and sold as contemplated in the Registration Statement and any prospectus supplement relating thereto, and in accordance with any applicable underwriting or similar agreement approved by the Holdings' board of directors, then the Guarantees will constitute valid and binding obligations of Parent, enforceable against Parent in accordance with their terms.

7. Holdings Debt Securities. Assuming that the issuance and terms of any Holdings Debt Securities and the terms of the offering thereof have been duly authorized, when: (i) the terms of such Holdings Debt Securities to be issued under the applicable Indenture and any applicable supplemental indenture and the terms of their issuance and sale have been duly established in conformity with such Indenture and such supplemental indenture; (ii) such Indenture and such supplemental indenture have been duly authorized, executed and delivered; (iii) the Indentures and supplemental indentures constitute legal, valid and binding obligations of the Trustee, enforceable against it in accordance with their terms; and (iv) such Holdings Debt Securities have been duly executed and authenticated in accordance with the applicable Indenture and any applicable supplemental indenture and issued and sold as contemplated in the Registration Statement and any prospectus supplement relating thereto, and in accordance with any applicable underwriting or similar agreement approved by the Holdings' board of directors, then such Holdings Debt Securities will constitute valid and binding obligations of Holdings, enforceable against Holdings in accordance with their terms.
